RE: Letter of recommendation  
Deb Jackson / Massage Therapist

Dear Sirs,

Ms. Jackson was in my employ May 2002 through April 2003 as a massage therapist. Her clinical skills proved superior to most practitioners of her art. She has a great work ethic, always punctual and professional. Her knowledge is vast and she is always eager to learn and enhance her skills. She was also a good team player and always eager to help in any capacity around our office.

I was disappointed to see her leave when she moved away from my area. I would highly recommend her for employment to any facility looking for a "top notch" therapist.

Please feel free to call me at any time should you have any questions that I might be able to answer.

Sincerely,

A handwritten signature in black ink, appearing to read "G. Mac Miller", with a long horizontal line extending to the right.
