Re: Deb Jackson

To whom it may concern,

As both a former employer and a current client of Deb's, I would like to recommend her as a dependable and hard working employee in the business world as well as being an excellent massage therapist.

I found Deb to be a pleasure to work with, always striving to do better than her best. She is a very dependable person as far as promptness and project completion. Often she would stay late without being asked in order to finish large projects. While employed at ASSE, Deb automated a computer student file program which allowed for quicker access of information. I find Deb to be a very honest and determined young woman who would be an asset to any employer or business.

If you have any questions, please call me at: 814-0696 during business hours 9-5, Monday through Friday.

Sincerely,

A handwritten signature in cursive script that reads "Andrea Johnson".
