To Whom it May Concern:

I am writing on behalf of a former student, Deborah Jackson.

I had the pleasure of watching Deb grow from a very caring human being into an extremely capable massage therapist during her six month training program at the Atlanta School of Massage.

Her work with classmates was exceptional, and her clinical skills demonstrated in our Student Massage Center set her apart from the average massage student. Deb possesses the ability to combine sincerity and warmth with a very professional approach. She engenders trust from her clients and is capable of working effectively with several modalities in order to provide a balanced massage treatment.

Based on my personal interactions with Deb as an instructor and as a client receiving her work, I would not hesitate to give her my highest recommendation. She will surely provide the finest massage therapy available.

Should you have further questions, please do not hesitate to contact me at the phone number listed above.

Sincerely,

*Edward J. Clark, L.M.T.*
