To whom it may concern

I am writing on behalf of Deborah Jackson. Deborah is a licensed massage therapist who worked in my office for four years, from 2010-2014. Not only does she have more than 250 hours hands on experience in massage therapy, but she is one of the most capable massage therapist specializing in chronic pain and recovery I have met and worked with.

Her dedication to her profession and clients is an example for others to strive for. If you have any questions, please let me know.

Sincerely,

Dr. Pamela Stone
