Dear Ms. Jackson:

I wanted to express my sincere thanks for your most effective neuromuscular massage last week. As a physician, I was quite impressed with your knowledge of the neuromuscular system and its functioning, but I was even more impressed with the skill and caring attitude with which you applied that knowledge. I am certain that I am still experiencing some of the direct benefits of my massage last week, even now several days later.

Please accept my sincere personal thanks for all your help. It is rare, indeed, to meet such a skillful and caring professional as yourself.

Most sincerely yours,

William W. Helvie, M.D.

WWH/slm
